THIRUVANANTHAPURAM, FEBRUARY 9: Magician Prince Sil will perform a 'bullet catch' act on Monday to introduce Magic Planet, a house of magic coming up at the Kinfra Film and Video Park here.

The bullet act involves an assistant firing a loaded gun at the magician who then catches the 'fire ball' between his teeth.

Kolkata-based Sil has been performing the bullet act, considered among the trickiest, since 1977.

PK Kunhalikkutty, Minister for Industries; KC Joseph, Minister for Culture; and VS Sivakumar, Minister for Health, will be present at the programme.
